Susan Fekety RN, MSN, CNM has been active in women's health care for over 30 years. Now retired, she has practiced as a nurse-midwife and lifestyle counselor in a variety of settings, including Baylor College of Medicine, Women to Women, True North Health Center, and her own practice, Healthy Living Health Care. She continues to be thrilled by the power and insight that shows up when women come together and give voice to their intuitive wisdom.

Regina Strongheart, has a Masters in the Art of Teaching from UNH. She taught chemistry for 30 years and has been a spiritual teacher and healer for 20 years. She is the founder and owner of Forest Circles, a center for community and healing in Topsham Maine where she hosts healing events, solo retreats into the forest and teaches classes on the healing arts. She is a medical intuitive and offers private healing sessions at Forest Circles.
